### HISTORY AND EXCELLENCE

Established in 1986 out of Queensland, Australia, AMH has built a strong reputation for delivering reliable and consistent beef products to local and international customers.

With a proud history of excellence, AMH beef is Australia's most trusted beef.

AMH Black cattle are sourced from Australia's unique and pristine pasture-based production system and then finished on specialty grain rations for over 100 days in JBS operated, accredited feedlots.

AMH Black delivers a marble score of 1+ to ensure a consistent eating experience for your everyday enjoyment, everytime.

Enjoyed worldwide, AMH Black is the reliable, premium beef brand.

Grain Fed. Higher Eating Quality  
Consistent. Reliable.
